

Experimental Science 1

Honors

Dear Parents and Guardians,
Your child will be participating in several unique events in our 9th grade magnet program. This handout contains all of the important dates for the Experimental Science 1 Honors course. The program fees for each program must be paid in full TWO weeks before the trip/program. Specific information and permission slips for off campus trips will be sent home with your child FOUR weeks before the field trip date. These forms must be turned in to school no later than two weeks before the trip date. If you have any questions, please call or email (see below).
Thank you! – Mr. Zealy.
